月夜幻談

The immortal life,
Vampires reside in a shade of honour and splendour
With their rightest morality.
While, the currupted mind of mortals conceive the keenest evil
The Priest is already an accomplice of insanity
Molten into the Inferno,
The ripped body and shattered soul cries out
"yes! this is not about revenge, but for the unrecoverable wound!"
The bloody feast of the final act will be held in the abyss.
